

## The Movement Club M.o.M Agreement

Dear M.o.M. or "Mom of the Movement,"

**We can't thank you enough for agreeing to be the club Mom of the Movement!** We understand that in the high school world Moms are the ones that get things done. You buy the school supplies, you run a fully operational taxi service and you make sure the homework gets done each and every night! Your support and encouragement is invaluable to the life and mission of this club. We are honored to partner with you. We believe that your investment in The Movement Club will have profound and lasting effects in the lives of these students and orphans around the world.

**The Movement Club is a student led, service oriented, orphan care club.** These clubs are guided by the oversight of the Show Hope Student Initiative. Each semester The Movement Club will host service projects to benefit orphans domestically and/or globally. These clubs are designed to meet every other week at a set time and location that works best in your combined schedules. In addition to your guidance, each club is lead by a student president and encouraged by a school faculty sponsor who will arrange for the meeting space and serve as the faculty representative to the school.

**The Movement Club desires to see students' lives changed as they give of themselves for the sake of the 140+ million orphans around the world.** By serving in The Movement Club we believe you will see these students grow as leaders, as servants and as advocates for others. As students are exposed to the plight of the fatherless around the world their eyes are opened to the many things they have to be grateful for.

We firmly believe that students are capable of far more than most adults are giving them credit for. **We have found that students will rise to the expectation that is set before them. Therefore The Movement Club is built on student ownership and action.** The Movement Club will at times require a lot of these students. These opportunities to serve will develop deep and lasting character in their lives.

Your role in The Movement Club is invaluable. **By agreeing to serve as the designated club M.o.M. you are committing to:**

1. Assist the students in adhering to the guidelines of The Movement Charter. (For your review, The Charter can be found at [TheMovementClub.org](http://TheMovementClub.org).)

This Charter includes the following active status clause:

Once a club is officially approved its status remains active so long as it:

- Maintains a president
- Maintains a minimum of 10 other club members
- Meets at least 6 times a semester
- Completes a minimum of one approved service project per semester
- Adheres to all Movement Club guidelines

2. Serve as the club's representative to other parents and when applicable to the PTO.

3. Assist in lining up guest speakers for the club meetings.

4. Assist the students in the execution of their service projects.

5. Work with The Show Hope Student Initiative to further develop The Movement Club.

It is expected that the student president run each club meeting and will therefore determine the emphasis of each meeting. At TheMovementClub.org we offer a list of suggested club content as well as a sample meeting agenda for students to follow if they desire. From this site each club will choose which service project they'd like to take on at the beginning of each semester. If the club desires to take on a different project they must fill out the "new project application" form found on the site as well.

**We hope to echo the same principles of character and service that you've been communicating in your home.** As a part of this process, we'd love to hear from you. As you have ideas, questions or even concerns please don't hesitate to send them our way.

On behalf of Show Hope, The Movement Clubs and orphans everywhere **thanks again for partnering with us on this journey.**

Sincerely,

Chris Wheeler

## The Movement Club Principal Agreement

Dear Principal \_\_\_\_\_,

**We are requesting permission to begin a Movement Club at our school.** The Movement is simply students caring for orphans. **It is a group of service oriented, student-led orphan care clubs that are actively meeting the needs of orphans worldwide.** As millions of orphans suffer in the shadows of society waiting for hope, students are recognizing they have the tools, creativity, and numbers to shatter the darkness and bring the light of hope to these orphans.

**Each semester The Movement club will host multiple service projects.** An example of these projects includes but is not limited to: collection drives for orphan and foster care providers, work projects for adoptive families, and fundraisers to benefit orphans. **The orphan care organization Show Hope, a non-profit that helps provide orphans with loving families and life-giving medical care, is partnering with passionate students to launch these clubs.**

Show Hope was originally founded by Steven Curtis Chapman and his wife Mary Beth Chapman. By supplying ownership and opportunity, The Movement clubs are mobilizing students to be the difference that orphans around the world desperately need.
